SUBJECT: Erection of Steel Bridge Girders within Kentucky Lock Lower Approach, Tennessee River Mile 22.2

Reference: Notice to Navigation Interests, CELRN-OP-N 08-32, dated 2 September 2008, subject as above.

In addition to the two days of lock closure yesterday and today, the bridge contractor has established a revised and complete schedule to finish the erection of the bridge steel for the US Highway 62 bridge spanning the lower approach to Kentucky Lock. The schedule will be as follows:

September 12, 2008 - 7:00 a.m. to 5:00 p.m.
September 18, 2008 - 7:00 a.m. to 5:00 p.m.
September 19, 2008 - 7:00 a.m. to 5:00 p.m.
September 25, 2008 - 7:00 a.m. to 3:00 p.m.
September 26, 2008 - 7:00 a.m. to 3:00 p.m.
September 30, 2008 - 7:00 a.m. to 5:00 p.m.

The lock will be closed to navigation during these dates and times. Notice is also given that the above dates and times could be postponed if weather conditions change or for equipment issues. If the September 12 operation is delayed for weather, then either Saturday, September 13, 2008 or Monday September 15, 2008 will be the alternate closure day.

No other closures are anticipated for construction activities related to this highway bridge construction.

Barkley Lock at Cumberland River Mile 30.6 will be available for lockage via the Barkley Canal.

Subsequent notices will be issued as conditions warrant.
